

Our rules are very simple!

- NO yearly dues
- You DO NOT have to show up to all club meetings
- NO tasks for you to perform
- NO major commitments

However, we do ask a few things from our members:

- Always ride safely!
- Don't give the Club a bad name!
- Support your Club and Chapter!

We just like to ride for the thrill of riding. Most of our trips will be local and not 500 miles from here. So whether you ride a Harley, Honda, Kawasaki, Suzuki, or a Yamaha, you will always be welcomed at the Southern Cruisers Riding Club.

The cost for membership is <u>FREE!</u>

The SCRC will be involved with charity fund-raising rides, local and long-distance rides, and of course, the unknown rides which may lead to anywhere. We also promote motorcycle and public safety rules. And under **no circumstances** will we be involved in any illegal activities.

So...come on in and join the fun!
